**How to Become
a Part of the FBC Family**

Brother Steve will invite those who would like to request membership in the church family to come to the front of the sanctuary after he concludes his message. There are three ways to become part of the family:

Profession of Faith and Baptism - If you have never received Jesus as Savior and Lord, one of our counselors will assist you in making this decision. Once you have received Christ, we will schedule a time for you to be baptized in one of our services.

By Transfer of Membership - If you are already a member of another Southern Baptist Church, we will receive your request for membership, pending receipt of a letter from that church. We will contact that church to notify them of your decision and request your letter.

By Statement of Faith - If you have previously received Christ as your Lord and Savior and have been baptized as a believer, by immersion as a symbol of your salvation, we will be happy to receive your request for membership. If you are a believer, but have not yet been baptized, we will set up a date for your baptism.
